INFORMATION TECHNOLOGY CAN MAKE SIGNIFICANT DIFFERENCE TO IMPROVE SERVICE DELIVERY SYSTEM: HCJP

Hon'ble Chief Justice of Pakistan, Mr. Justice Anwar Zaheer Jamali says that information technology can make a significant difference to improve service delivery system.

He was addressing “Exhibition and Seminar on the use of Information Technology in the Justice Sector” organized by Law and Justice Commission of Pakistan in Islamabad on August 29, 2016.

“Hence, there has been an appreciable investment and effort in developing and applying information technology based solutions. It is however clear from the report that the application of information technology is limited to organisations, for example, the police or the judiciary and within organisations, it is further limited to a number of functions or processes. In this sense, the development and use of information

technology is piecemeal and isolated. In the absence of common standards and protocols, there has been very little attempt at integration and coherence with the Federal level across provinces and within the provincial justice sectors, inter-organisationally and within organisations. The application of information technology also varies from providing operational support such as a simple case flow management to capturing performance analytics. It is not much used as a transparency and accountability intervention or an aid for planning and decision-making management tool,” HCJP maintained.

“In view of our limited financial and technical resources, we need to encourage wider collaboration between the public, private and civil society sectors to effectively utilize local capital and expertise. We are therefore looking forward to the Provincial Justice Committees taking a proactive lead to

develop a strategy or a roadmap for the application of information technology in the justice sector. As such, we hope they will engage with the different sectors to capitalize on their available expertise, partnering with the private and civil society sectors to devise suitable solutions. In this manner, we can ensure value for money and the multiplier effect. Once again, I thank you for your time and patience, and must admit, that I am impressed by the efforts to enhance the quality of service delivery in the justice sector. But to be systematic and rigorous in our endeavours,

we must move towards developing a national policy and strategy for the application of information technology in the justice sector led by the respective Provincial Justice Committees,” HCJP concluded.

Speaking on the occasion, Chief Justice Lahore High Court Hon'ble Mr. Justice Mansoor Ali Shah said that in order to monitor and expedite the hearing of cases, it was imperative that judicial officers and judges should get expertise in IT knowledge and its implementation.

HON'BLE MR. JUSTICE TARIQ PARVEZ ASKS JUDICIAL OFFICERS TO HAVE A HIGH CONCEIT OF IMPORTANCE OF JUDICIAL OFFICE

Hon'ble Judge, Supreme Court of Pakistan highlights importance of ADR mechanisms

“Alternative Dispute Resolution mechanisms have been useful in resolving diverse disputes by providing speedier decisions but to be truly effective in our society it is necessary to create conducive conditions by taking all stakeholders of justice system on board”, said Mr. Justice Tariq Parvez, Hon'ble Judge, Supreme Court of Pakistan, on July 23, 2016.

awarding ceremony at the conclusion of a one-week training course on “Skill Based ADR Training and New Laws” for Civil Judges-cum-Magistrates from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan at the Federal Judicial Academy.

Regarding trainings he said, “These trainings not only enhance trainees' legal knowledge and competence but also give them a proper understanding of different cultures in the country. These trainings also promote professional bond among trainees and national integration. I always believe that the competent and conscientious performance by

judges is the most effective way to maintain respect for the rule of law and enhance prestige of the judiciary.”

Advising the young judges he said, “All of you must have a high conceit of the importance of your office. Always strive to uphold the highest standards of personal and professional behaviour. Always try to be ethical and role model in your behaviour both in the courtroom and outside the courtroom and also in your judgement writing.”

Earlier, Mr. Fakhar Hayat, DG of the Academy, presented his welcome speech and an overview of the training course. “Apply

knowledge and skills, whatever you have learned during the training, and administer justice according to law and you will have a life of tremendous satisfaction,” he emphasised.

Twenty-six participants-out of them seven females- who benefited from this training, were given certificates in the ceremony at the Academy.

HON'BLE MR. JUSTICE ATHAR MINALLAH HIGHLIGHTS IMPORTANCE OF JUDICIAL QUALITY, COURT QUALITY FOR QUALITY OF ADMINISTRATION OF JUSTICE

“A continuous learning and awareness of new subjects, tools of technology, techniques and skills for all the stakeholders of the administration of justice system is the need of the hour both for quality improvement and quality dispensation of justice,” said Mr. Justice Athar Minallah, Hon'ble Judge, Islamabad High Court, on September 30, 016.

He was speaking during the certificate awarding ceremony at the conclusion of a one-week training course on “New Laws”

for District and Sessions Judges from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan at the Federal Judicial Academy.

He said, “We must bring awareness to the litigant public, who are the main stakeholders of the system, about the technological know-how with the process know-how for effective administration in the society. It is only and only effective judiciary which can eliminate social injustice, chaos and anarchy from the society.”

EFFECTIVE, INNOVATIVE, DEDICATED SUPPORTING STAFF NECESSARY TO EFFECTIVE ADMINISTRATION OF JUSTICE: HON'BLE MR. JUSTICE ATHAR MINALLAH

Mr. Justice Athar Minallah, Judge, Islamabad High Court, underscores the importance of effective conflict resolution management for sustainable peace and promotion of democratic norms and values in the society.

He expressed these views in the certificate awarding ceremony at the conclusion of a one-week training course on “How to be an Effective Superintendent” for Superintendents of the Sessions Courts from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan at the Federal Judicial Academy on August 27, 2016.

He said, “Conflict is an inevitable phenomenon in human society. It is a known fact that where there is no effective conflict resolution management, the courts become overloaded with cases and find it exceedingly hard to cope with the situation. In this scenario, training is essential for the supporting staff to equip them with the emerging skills of administration and constantly evolving methodologies in human resources management, fiscal and file management in the world today. I hope that this training would have enhanced competence of the officers to properly react to various problems relating to human resources management, public dealing, etc. The Academy deserves appreciation to arrange such a much needed training for the Superintendents of Sessions Courts.”

HON'BLE JUDGE, ISLAMABAD HIGH COURT ASKS PROSECUTORS TO BEHAVE, ACT IN PROFESSIONAL MANNER

“Like judgeship, prosecution is also a sacred trust. This profession also requires the same ethical principles, a set of moral and professional standards and guidelines as we have in judicial profession. Therefore, prosecutors should always behave and act in a professional manner within their job”, “said Mr. Justice Miangul Hassan Aurangzeb, Hon'ble Judge, Islamabad High Court, on July 30, 2016.

He was speaking during the certificate awarding ceremony at the conclusion of a one-week training course on “Role of Prosecutors in Quick Disposal of Criminal Cases for Prosecutors from all over Pakistan including National Accountability Bureau” and also the certificate awarding ceremony at the conclusion of a “three-day Capacity Building for the Establishment of Consumer Protection Court, Charsadda and Staff of the Academy,” held at the Federal Judicial Academy.

Advising the prosecutors, he said, “Fairness is critical for professionalism. Always try to prosecute in a professional manner so that everyone respects you and your profession and no one accuses you of bias or a conflict of interest. While prosecuting, always keep this golden rule of criminal justice system in your mind which reads as “Accused is the most favourite child of law.”

Lamenting socioeconomic evils such as hoarding, profiteering and black marketing he said, “It is the ugly truth that we have hoarding of goods, profiteering and black-marketing everywhere in our society. The Consumer courts can play the desired role to eliminate such evils from the society. This training would be highly beneficial for all the participants. I believe that the establishment of Consumer Protection Court, Charsadda, would be now in a better position in the wake of this three- day capacity building to effectively play the due role.”

Earlier, Mr. Fakhar Hayat, DG of the Academy, presented his welcome speech and an overview of both unique training courses.

judgements. They need to be vigilant to discourage the abuse of Public Interest Litigation (PIL). As citizens of the State they are under an obligation to point out the deficiencies in the existing and emerging laws so that those be removed for expeditious dispensation of law”.

Earlier, Mr. Fakhar Hayat, DG of the Academy, presented his welcome speech and an overview of the training course. “Harness the knowledge and skills for efficient and effective administration of justice,” he emphasized.

Effective dispensation of justice can be accomplished through continuing judicial and legal education. Accordingly, this Academy always enables judges and other key players of the justice system to orient themselves to the new laws to assure successful law enforcement.

Mr. Fakhar Hayat, Director General, Federal Judicial Academy, expressed these views during the inaugural ceremony of a one-week training course on “New Laws” for Additional District and Sessions Judges from all over Pakistan and Azad Jammu and Kashmir at the Federal Judicial Academy, on August 8, 2016.

He said, “As Judges you are required to hear and rule on a broad range of matters that come before the court, therefore, it is imperative for

judges and other key players of the system to have a careful understanding of the existing and new laws, growing skills and emerging trends in the system. The training is always extremely helpful in understating of many things.”

FJA ALWAYS BUILDS LEARNING ENVIRONMENT: DG, FJA

“Trainings are always productive and make one more effective in his performance because trainings are new opportunities towards professionalism,” said Mr. Fakhar Hayat, Director General, Federal Judicial Academy, on September 26, 2016.

While inaugurating the one-week training course on “New Laws” for District and Sessions Judges, he said, “The Academy always builds learning environment. For this

purpose, we invite the professional judicial educators, subject experts, not only from the judiciary and legal profession but also from other related fields. Inexpensive and expeditious dispensation of quality justice demands that the stakeholders of the administration of justice system to be well-equipped with the requisite tools in order to dispense justice.”

“During this training you will learn about new laws and definitely will become more proficient in their effective application. This training not only provides an access to new ideas, including new laws and new subjects, but also gives the opportunity to learn more

about each other's culture, personal and professional accomplishments,” DG concluded.

Twenty-six District and Sessions Judges from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan underwent this one week training at the Academy.

STRAIN THE LAW, MANAGEMENT TO DO FAMILY CASES JUSTICE EXPEDITIOUSLY

Family Court Judges must strain the law and management to do family cases justice expeditiously. There is a dire need to create victim-friendly trial environments to encourage women to bring cases before the court.

Mr. Fakhar Hayat, Director General, Federal Judicial Academy, expressed these views during the inaugural ceremony of a one-week

training course on “Management of Family Cases” for Female Judges of the Family Courts from all over Pakistan and Azad Jammu and Kashmir and Gilgit-Baltistan at the Federal Judicial Academy, on September 19, 2016.

He said, “Continuing judicial education with specific programmes on gender issues, gender justice and management of family cases should be mandatory for judges at all levels.”

Regarding the training, he said” The Academy offers a series of capacity building programmes throughout the year as per its Annual Judicial Education Course Calendar

and provides training to judges, and other key players of dispensation of justice system, on a variety of subjects to enhance their efficiency. You have an excellent opportunity to gather and exchange information. As a result of this training, you will be better able to assess your current knowledge and how to manage the growing family cases in your courts.”

Twenty-six Female Family Court Judges from all over Pakistan and Azad Jammu and Kashmir and Gilgit-Baltistan underwent a one-week training at the Academy.

CHIEF AIM OF FAMILY COURTS IS TO SAVE FAMILY INSTITUTION: DG, FJA

Family is a basic social unit which shapes the society, therefore, our Family Court Judges are under an obligation to save this fundamental unit of the society.

Mr. Fakhar Hayat expressed these views during the certificate awarding ceremony at the conclusion of a one-week training course on “Management of Family Cases” for Female Judges of the Family Courts from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan at the Federal Judicial Academy, on September 24, 2016, in which he was the chief guest.

He said, “The chief aim of Family Court Judges is to integrate, not to disintegrate, unite, not to disunite, join, not to disjoin the families because families shape the future of children and of the nation. Once any family is broken, then, children bear the brunt. As

Family Court Judges always try to use the legal provisions for pre-trial reconciliation between the two estranged families with a humanistic approach, I mean, with a mind and heart of a human being, and not mechanically as we usually do, to save this noble institution of the society.”

Twenty-six Female Family Court Judges from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan were awarded certificates in the ceremony.

PROSECUTORS ARE IMPORTANT PLAYERS OF CRIMINAL JUSTICE SYSTEM: DG, FJA

Efficacy of the criminal justice system hinges on the quick completion of trials and conviction rates and prosecutors can play a crucial role in the dispensation of criminal justice.

Mr. Fakhar Hayat, Director General, Federal Judicial Academy, expressed these views during the inaugural ceremony of a one-week training course on “Role of Prosecutors in Quick Disposal of Criminal Cases” for Prosecutors from all over Pakistan, including National Accountability Bureau (NAB) at the Federal Judicial Academy, on July 25, 2016.

He said, “We all know that prosecution is an important component of our criminal justice system. It is the duty of the State to prosecute cases in the courts of law. We have different cadres of prosecutors to prosecute cases at various levels within the criminal justice system. In today's society, we have different

types of serious and heinous crimes and this type of training contributes to the effective functioning of the prosecutors to enhance their dignity and combat corruption like menace from the society. That's why, in this training we have also Prosecutors of the NAB sitting beside you people to sharpen their skills for prompt and effective prosecution of fiscal and other crimes in the Accountability Court and other courts.”

TRAININGS ARE 'COMPULSORY REVISION': DG, FJA

“Trainings are some sort of 'compulsory revision' and it is through trainings we revise and review the fundamentals of various basic subjects and also learn new skills that improve our quality in performance,” said Mr. Fakhar Hayat, Director General, Federal Judicial Academy, Islamabad, on July 18, 2016.

He was speaking during the inaugural ceremony of a one-week training course on “Skill Based ADR Training and New Laws” for Civil Judges-cum- Magistrates from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan at the Federal Judicial Academy.

He said, “I strongly believe that an investment in training is, in fact, an investment in the organization for its effective and efficient service delivery. This Academy has developed its Annual Judicial Education Course Calendar and it conducts all the trainings as per its Annual Calendar. This

Training titled “Skill Based ADR Training and New Laws” designed for Civil Judges-cum-Magistrates will definitely be very productive for all of you. The Academy always fosters dialogue and encourages participatory training methodology, instead of monologue. All of you must commit to participate in dialogue with the learned resource persons and try to gain more and more from them.”

Twenty-six participants-out of them seven females-underwent this training at the Academy.

CAPACITY BUILDING TRAINING EMPOWERS PARTICIPANTS FOR EFFECTIVE SERVICE DELIVERY: DG

Mr. Fakhar Hayat, Director General, Federal Judicial Academy, said that awareness and education regarding consumer rights and responsibilities and capacity building of the Establishment of Consumer Protection Courts, were the need of the hour.

He expressed these views in the inaugural ceremony of a three –day Capacity Building Training for Establishment of Consumer Protection Court, Charsada and staff of the Federal Judicial Academy at the Academy on July 28, 2016.

He said, “This three days training aims at increasing capacity of Establishment of Consumer Protection Court Charsada and staff of this Academy.”

DG was appreciative of all those who were instrumental in bringing this capacity building training to fruition. Ten participants were nominated both from the Establishment of Consumer Protection Court, Charsada and Federal Judicial Academy to benefit from this three day capacity building training.

ACQUISITION, IMPROVEMENT OF SKILLS VITAL FOR SUPERINTENDENTS OF SESSIONS COURTS: DG, FJA

Mr. Fakhar Hayat, Director General, Federal Judicial Academy, said that the acquisition and improvement of administrative and other skills was very vital for Superintendents of Sessions Courts for their effective service delivery.

He expressed these views in the inaugural ceremony of a one –week training course on “How to be an Effective Superintendent” for Superintendents of the Sessions Courts from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan at the Federal Judicial Academy on August 22, 2016.

He said, “The Federal Judicial Academy is committed to impart quality training to all stakeholders of justice system. The Academy, as per its Annual Judicial Education Course Calendar, offers trainings to different key players of the administration of justice system to equip them with skills necessary for the performance of their duties. This Training in which you people, the Superintendents, who

form the backbone of District and Sessions Courts, are nominated is also a part and parcel of our Annual Judicial Education Course Calendar. The Academy feels that there is need for judicial staff including Superintendents of the Sessions Courts, for training and re-training for their better performance. This is an excellent opportunity for all of you to share, learn and improve, therefore, try to benefit from it.”

Twenty-four Superintendents of Sessions Courts from all over Pakistan, Azad Jammu and Kashmir and Gilgit-Baltistan benefited from this weeklong training at the Academy.

NEWS IN BRIEF

FJA Faculty members lands in Nepal

Mr. Salahuddin and Ms Nusrat Yasmeen, both Directors of the Academy, landed in Nepal to take part in a Regional Expert Consultation on IHL with the Judicial Sector, organized by the National Judicial Academy, Nepal, in partnership with the International Committee of Red Cross (ICRC), on September 3, 2016 at Yak and Yeti Hotel, Kathmandu, Nepal.

The objective of the expert consultation was to increase understanding of IHL and to improve better structure in the current training pedagogical tools and teaching methods used during domestic continued professional development sessions for judges.

Judges and judicial educators from SAARC countries such as Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan, besides Iran, had taken part in the expert consultation.

Rt. Hon'ble Chief Justice Sushila Karki, as the Chief Guest of the concluding session, observed that IHL issues are highly pertinent and need to be incorporated in the training

curricula for judges.

She appreciated and congratulated both NJA-Nepal and ICRC Nepal for taking timely initiative to organize such an important expert consultation. Hon'ble Minister of Law, Justice and Parliamentary Affairs Ajay Shankar Nayak and Hon'ble Attorney General Raman Kumar Shrestha also delivered remarks highlighting the relevance of the programme.

During the expert consultation, presentations were made by the experts on IHL, and also group exercises were carried out to identify role of judges and judicial educators in the training curricula and their delivery in the training programme.

Presided over by Executive Director Hon'ble Keshari Raj Pandit, NJA-Nepal, the expert consultation also adopted a four point Kathmandu Declaration exhibiting the participants' commitment to include ILH issues in the training curricula. Twenty –three participants attended the expert consultation.

GIZ Delegation calls on DG

A three –member delegation of German International Cooperation (GIZ), Rule of Law Project Assessment team, called on Mr. Fakhar Hayat, DG of the Academy, on August 8, 2016.

The delegation was comprised of Mr. Richard Miles, Consultant, CIS, Ms Baisch, Representative from GIZ Headquarters, Germany and Mr. Rashid Kazmi, Technical Advisor, GIZ Pakistan.

During the meeting, DG noted importance of cooperation between the FJA and GIZ. He also eulogized GIZ's support in various key sectors.

The interlocutors discussed various prospects and opportunities for the capacity of building of judges and other players of criminal justice system. It was noted that there was a great cooperation potential between two organizations regarding criminal justice reforms.

Employees Appreciation Ceremony

The Federal Judicial Academy (FJA) management hosted an Employee Appreciation Ceremony in honour of our industrious and punctual Faculty, Officers and staff members in the auditorium of the Academy on August 5, 2016.

In delivering his brief welcome speech, the Director General thanked all the team members of the Academy for their demonstrated competence and commitment, over the past year.

He said, “This first-ever unique ceremony, which is an employee-focused event hosted in tribute to the Faculty, Officers and other staff members, forms part of a holistic approach towards overall welfare within the organization. This idea was in fact floated by Ms Sadaf Khokhar, Additional Director and she also suggested to present some

sort of souvenir to all employees.”

“The effort reinforces the Academy's ongoing commitment to promote those productive attitudes and behaviours that can serve as an example for others in the judicial training academies,” he concluded.

In the end, souvenirs were distributed in this simple but impressive ceremony.

ہمارے اسٹیک ہولڈرز کے مطلوبہ معیار کے مطابق مؤثر اور مستعد ہوگا۔

۱۳۔ ایک اہم مسئلہ، ہمارا وقتی، فرضی اور شاید وجدانی منصوبہ بندی کا طریقہ کار ہے جو منصوبہ سازی میں مناسب حکمت عملی اور سمتوں کے تعین کے فقدان کی گواہی دیتا ہے۔ ہمارے لیے ضروری ہے کہ ہم مناسب منصوبہ بندی اور پالیسی سازی سے اپنی استعداد میں اضافہ کریں جو کارکردگی، معلوماتی ڈیٹا، عمیق تجزیے اور ایسے نتائج جنہیں مؤثر طور پر جانچا جا چکا ہو، جو گمرانی اور تشخیص کے دوران صحیح ثابت ہونے پر منحصر ہو۔ اس ضمن میں قانون و انصاف کمیشن کو باقاعدہ طور پر شعبہ انصاف کی معلومات اور اعداد و شمار کی بہتری کا کام سونپا گیا ہے۔ یہ مشاہدہ بھی حوصلہ افزاء ہے کہ پنجاب اور خیبر پختونخوا ٹیکنالوجی بورڈ نے اپنی تجزیہ گاہیں قائم کی ہیں۔ تاکہ وہ اپنے نتائج خود پرکھ سکیں اور پھر ان کی تقلید ہو سکے۔

۱۴۔ اس مقصد کے لئے لازم ہے کہ ہم ادارہ جاتی اور تنظیمی خولوں کو توڑ دیں جو موثر ادغام کی راہ میں رکاوٹ ہیں اور ایک مربوط اور مشترکہ حکمت عملی سے آگے بڑھیں جہاں ادارے اور تنظیمیں کھل کر آپس میں معلومات کا تبادلہ کریں اور ایک دوسرے کے تجربوں سے سیکھیں۔ مزید یہ کہ شعبہ انصاف کی پیچیدہ نوعیت کو مد نظر رکھتے ہوئے کسی مشترکہ نکتہ نظر کی عدم موجودگی میں ہم خدمات کی سرانجام دہی کے لیے انصاف کی فراہمی کے سلسلے پر مؤثر طور پر کام کرنے کے قابل نہیں ہو سکیں گے۔ اسی لئے صوبائی کمیٹیاں برائے انصاف، جو کہ شعبہ انصاف کے مختلف اداروں اور تنظیموں کے سربراہوں پر مشتمل ہیں۔ دراصل مشترکہ تعاون کے نظریہ کی بنیاد پر قائم کی گئیں ہیں۔

۱۵۔ مزید برآں، اپنے محدود مالی اور ٹیکنیکی وسائل کو مد نظر رکھتے ہوئے ضروری ہے کہ ہم سرکاری، نجی اور فلاحی شعبہ جات کے باہمی تعاون کو فروغ دیں تاکہ سرمایہ اور مقامی استعداد مؤثر طور پر استعمال ہو سکے۔ ہم متنی ہیں کہ صوبائی کمیٹیاں برائے انصاف، انصاف کے شعبے میں انفارمیشن ٹیکنالوجی کے استعمال کے لیے منصوبہ سازی اور مشترکہ لائحہ عمل تشکیل دینے میں آگے بڑھ کر اپنا کردار ادا کریں اور اس طرح ہم امید کرتے ہیں کہ وہ مختلف شعبہ جات کو اپنے ساتھ شامل کریں گے تاکہ ان شعبوں کی موجودہ صلاحیتوں سے مستفید ہوا جاسکے۔ ہمیں امید ہے کہ کمیٹیاں نجی اداروں اور فلاحی شعبہ جات کے ساتھ مل کر کام کریں گی تاکہ مناسب نتائج حاصل کیے جاسکیں اور ہم سرمائے کی قدر میں اضافے اور اس کی افزائش کو یقینی بنا سکیں۔

۱۶۔ ایک دفعہ پھر میں آپ کے قیمتی وقت اور تھل کیلئے شکر گزار ہوں اور یہ اعتراف کرتا ہوں کہ شعبہ انصاف میں خدمات کی سرانجام دہی کے معیار میں اضافے کے لئے کی گئی کوششوں نے مجھے بہت متاثر کیا ہے لیکن پھر بھی اپنی جدوجہد میں منظم اور مستحکم ہونے کے لئے ہمیں صوبائی کمیٹی برائے انصاف کی راہنمائی سے انفارمیشن ٹیکنالوجی کے استعمال کے لیے ایک قومی پالیسی اور حکمت عملی وضع کرنے کی ضرورت ہے۔

میں ہم متوقع فوائد سے ہاتھ دھو بیٹھیں گے بلکہ خدشہ یہ ہے کہ بہتر اصلاحاتی سرمایہ کاری حقیقی مدافعتی قوت کے بعد قائم نہیں رہ پائے گی۔ لہذا ضروری ہے کہ ہم انفارمیشن ٹیکنالوجی پر مبنی حل ہر سطح پر اداروں اور جہاں ضروری ہو شعبہ انصاف میں شامل کریں تاکہ ہم وقتاً فوقتاً باہمی مضبوط عمل اور طریقہ کار کا بھرپور جائزہ لے سکیں۔

۱۰۔ دیکھا جائے تو شعبہ صحت اور تعلیم کے برعکس شعبہ انصاف خاصی فرسودہ اور کمزور معلوماتی بنیاد کا شکار ہے۔ دراصل اپنی کارکردگی کو جائز ثبوتوں سے ماپنے کے لیے ضروری ہے کہ ہم باہم منحصر اور کثیر الاداراتی قسم کا شعبہ ترتیب دیں۔ ہر علیحدہ شعبہ، چاہے وہ پولیس ہو عدلیہ ہو یا استغاثہ کی خدمات، یہ سب ادارے مستعد اور موثر طور پر عمل کرنے کے لیے شعبہ انصاف دیگر شعبوں کی موثر اور مستعد کارکردگی پر انحصار کرتے ہیں۔ اس لئے ان اداروں کو انفارمیشن ٹیکنالوجی پر مشتمل طریقہ کار کے عقبی اور ظاہری تعلق سے جوڑنے کے لئے مثبت کوشش کرنے کی ضرورت ہے، جیسے استغاثہ یا پولیس کے مابین تعلق یا استغاثہ یا عدلیہ کے مابین تعلق وغیرہ۔ نہ ہی ہم نے شعبہ جاتی اور ادارہ جاتی کارکردگی کے معیار کو بہتر بنانے کی کوشش کی ہے اور نہ حاصل شدہ معلومات کا تجزیہ کیا، معلوماتی نظام سے جو کچھ ہم نے سیکھا اور جو اس کے استعمال کی اہمیت ہے اس کو مد نظر رکھتے ہوئے ضروری ہے کہ ہم شعبہ انصاف کے معلوماتی نظام کو شفاف طریقے سے انتظامی اور منصوبہ بندی کے آلے کے طور پر استیکام بنائیں۔

۱۱۔ اس بات کی بھی اشد ضرورت ہے کہ ہم اس عمومی شعبہ جاتی فکر کو اجاگر کریں کہ ہم انفارمیشن ٹیکنالوجی سے کیا چاہتے ہیں، ایک مشترکہ نقطہ نظر جو اس ادراک پر مبنی ہو کہ ہم کثیر الاداراتی اور باہم منحصر ماحول میں کام کر رہے ہیں۔ کارکردگی میں اضافے کے لیے ضروری ہے کہ ہم اپنے ادارے اور شعبے دونوں کے استیکام کو اولین ترجیح دیں میرے خیال میں ہمارا عزم ایسا کامل نظام انصاف تشکیل دینا ہونا چاہیے جہاں ایک مقدمے کی فائل بلا کسی رکاوٹ عام مقدمات کے بہاؤ کے انتظامی نظام سے آگے بڑھے جو شفاف ہو، جوابدہ ہو اور فعالیت اور کارکردگی کے تجزیے کی خصوصیات کا حامل ہو۔ اس کے لیے ضروری ہے کہ ہم عام معیارات اور معاہدات پر متفق ہوں۔

۱۲۔ اسی طرح ہمارے لیے ضروری ہے کہ ہم دیگر شعبہ جات اور اداروں جو انصاف کے شعبے سے تعلق نہیں رکھتے جیسے نادرا سے سیکھیں اور انہیں شامل کریں تاکہ ذاتی شناخت اور دستاویزات وغیرہ کی تصدیق ہو سکے۔ یہ ہمیں ضخیم معلومات سے متعلق فوائد اور مسائل کے متعلق مشاورت بھی فراہم کر سکتا ہے۔ اسی طرح، پاکستان اتھارٹی برائے ٹیلی مواصلات ہمیں موبائل اور اسمارٹ فون پر مبنی نظام وضع کرنے کے امکانات کے متعلق مشاورت دے سکتی ہے۔ ہماری پولیس پہلے ہی اس قسم کی سہولتیں استعمال کر رہی ہے جیسے جیو ٹیکنگ (جغرافیائی علامت سے نشاندہی) اور ہاٹ اسپاٹنگ (خطرے کی نشاندہی) تاکہ موقع واردات کی نشاندہی اور مجرمانہ رجحانات اور معلومات کی شناخت ہو سکے۔ ہمیں تعلیمی اداروں کی استعداد اور مہارت پر بھی توجہ دینے کی ضرورت ہے۔ مجھے یقین کامل ہے کہ ہم مشترکہ کاوشوں اور نجی و سرکاری دونوں شعبہ جات کے وسائل اور استعداد کار استعمال کرتے ہوئے انفارمیشن ٹیکنالوجی کے ذریعے ایک ایسا نظام تشکیل دینے میں کامیاب ہو جائیں گے جو

۵۔ رپورٹ میں بہت سے مسائل اور چیلنجوں کا تذکرہ کیا گیا۔ اول ہمیں اپنے مقاصد اور اہداف کو سمجھنے کی ضرورت ہے اور ان مقاصد اور اہداف کے حصول کے لئے انفارمیشن ٹیکنالوجی کے ذریعے اصلاح کار کے مواقعوں کا ادراک کرنا ہوگا۔ وہ کیا اہداف ہیں جو ہم انفارمیشن ٹیکنالوجی کے استعمال سے حاصل کرنا چاہتے ہیں؟ اصل مسئلہ یا مسائل کیا ہیں جن کو شعبہ جاتی کارکردگی کو بہتر بنانے کے لیے حل کیا جانا چاہیے۔

۶۔ سب سے پہلے تو میں محسوس کرتا ہوں کہ ہم اس امر سے ہی واقف ہی نہیں ہیں کہ وہ بنیادی مسئلہ کیا ہے جو خدمات کی سرانجام دہی کے عمل میں اصل رکاوٹ ہے۔ پہلا سوال یہ ہے کہ انصاف کے شعبے کی وہ جامع ضروریات کیا ہیں جن کا حل تلاش کیا جانا چاہئے۔ ہم نے کبھی بھی سنجیدگی سے یہ سوال نہیں اٹھایا جس کا ثبوت یہ ہے کہ ہم نے کبھی ضروریات انصاف کے حوالے سے سروے نہیں کیا۔ حتیٰ کہ قومی مردم شماری کے سوالنامہ میں انصاف تک رسائی کے متعلق کوئی سوال موجود ہی نہیں۔ نتیجتاً ہمارے پاس انصاف کی ضروریات کی نشاندہی کے لیے کوئی اساسی قاعدہ یعنی اعداد و شمار نہیں ہے اور اس اساسی قاعدہ کی عدم موجودگی میں ہم اپنی خدمات کی سرانجام دہی کے متعلق مؤثر منصوبہ بندی، تخمینہ سازی یا ترجیحات طے کرنے سے بھی قاصر ہیں۔

۷۔ ایک اہم بات جس کا تذکرہ میں یہاں ضروری سمجھتا ہوں وہ یہ ہے کہ ہمیں لازمی طور پر انصاف کی فراہمی کے حوالے سے اس کی طلب کا اندازہ ہونا چاہئے۔ تاکہ ہم شہریوں کی انصاف کی ضروریات کو سمجھ سکیں اور عوامی آراء کی وصولی کا مؤثر طریقہ کار وضع کیا جاسکے تاکہ عوام کو خدمات کی فراہمی اور اس کے معیار کے متعلق ہمیں آگاہی کا موقع ملے اور عوام معیار کی بہتری سے متعلق ہمیں اپنی آراء سے آگاہ کر سکیں۔ آراء کی وصولی کا ایسا ایک نظام عوامی شکایات کے ازالے (Public Complain Redressal System) کا نظام ہے جس کو ہم انفارمیشن ٹیکنالوجی اور ٹیکنالوجی کے ذریعے مزید مستحکم کر سکتے ہیں تاکہ ہم مؤثر طور پر عوامی شکایات کا ازالہ کر سکیں۔ شکایات کی وصولی سے ہمیں اہم معلومات حاصل ہو جاتی ہیں اور بغیر کسی اضافی اخراجات کے ہم حاصل شدہ معلومات کے تجزیے سے ان گھمبیر مسائل کی نشاندہی کر سکتے ہیں جو خدمات کی سرانجام دہی کو بہتر بنانے کے عمل میں حائل ہیں۔

۸۔ انصاف کے نظام میں طلب کے علاوہ ہمیں انصاف کے شعبے میں رسد کا بھی علم ہونا چاہیے جس کے لیے ہمیں تشخیصی مطالعہ شروع کرنا چاہیے جیسا کہ معیارات کا تجزیہ جو ہماری ادارہ جاتی سرگرمیوں اور انتظامی اختیارات کے مطابق ہو اور ایسے معیار جو ہم شہریوں یا موکلین کو مہیا کر رہے ہیں یا مہیا کرنا چاہتے ہیں کا تنقیدی جائزہ لے سکیں۔ حتمی طور پر ہم کس طرح کام کر رہے ہیں اس کا اندازہ اس امر سے لگایا جائے گا کہ ہم کس طرح عوام کے انصاف کی ضروریات پوری کر رہے ہیں۔

۹۔ گو یہ رپورٹ ان افعال اور طریقہ ہائے کار کا اعادہ کرتی ہے جو ”خود کاری“ یعنی Automation کے لئے کئے گئے ہیں پھر بھی یہ مشاہدہ میں آیا ہے کہ اداروں کے اندر خود کاری (Automation) قواعد اور طریقہ کار میں ترمیم کے ذریعے درست طور پر رائج نہیں ہوئی ہے۔ دیکھا جائے تو ہم بالعموم حاصلات پر سمجھوتا کر رہے ہیں جس کی وجہ سے مخصوص حالات

 خواتین و حضرات!
 السلام علیکم!

۱- ابتداء میں، میں تمام شرکاء اور مقررین کا مشکور ہوں جنہوں نے انتہائی خلوص سے نمائش کا حصہ بننے کی کوشش کی اور اپنے تجربات و کارہائے نمایاں عام عوام اور متعلقین (Stakeholders) سے بیان (Share) کیے۔ ریاستی اداروں اور خدمات سرانجام دینے والے اداروں کے طور پر کام کرتے ہوئے ایک دوسرے کو شامل کرنے کے علاوہ ضروری ہے کہ ہم اپنی کارکردگی کو عام عوام کے سامنے لائیں تاکہ ہماری تگ و دو کا اظہار ممکن ہو سکے اور خدمات کی سرانجام دہی مؤثر انداز میں ممکن ہو سکے جس سے ریاستی اداروں پر عوام کا اعتماد مضبوط ہوگا۔

۲- میں اس حوالے سے قانون و انصاف کمیشن پاکستان کی تازہ شائع شدہ رپورٹ بعنوان ”شعبہ انصاف میں انفارمیشن ٹیکنالوجی کے مؤثر استعمال کے حوالے سے قومی پالیسی اور حکمت عملی کی جانب پیش قدمی“ کو آپ کے روبرو پیش کرتے ہوئے انتہائی مسرت محسوس کر رہا ہوں۔ یہ اپنی نوعیت کی پہلی رپورٹ ہے جس میں ہمارے نظام انصاف میں انفارمیشن ٹیکنالوجی کے استعمال اور ان مسائل کا جائزہ لیا گیا ہے جو اداروں کو ان مواقع کے حصول سے مؤثر انداز سے مستفید ہونے کی راہ میں حائل رکاوٹ ہیں اور انھیں انفارمیشن ٹیکنالوجی کے استعمال سے دور کیا جاسکتا ہے۔

۳- جیسا کہ اس نمائش اور کمیشن کی پیش کردہ رپورٹ سے ظاہر ہے کہ اس امر کا ادراک کیا جا چکا ہے کہ انفارمیشن ٹیکنالوجی کے استعمال سے مؤثر انداز میں خدمات کی انجام دہی میں خاطر خواہ انقلاب لایا جاسکتا ہے اور انفارمیشن ٹیکنالوجی پر انحصار اور اس کے فروغ سے مستقبل میں قابل ذکر فوائد حاصل کیے جاسکتے ہیں۔

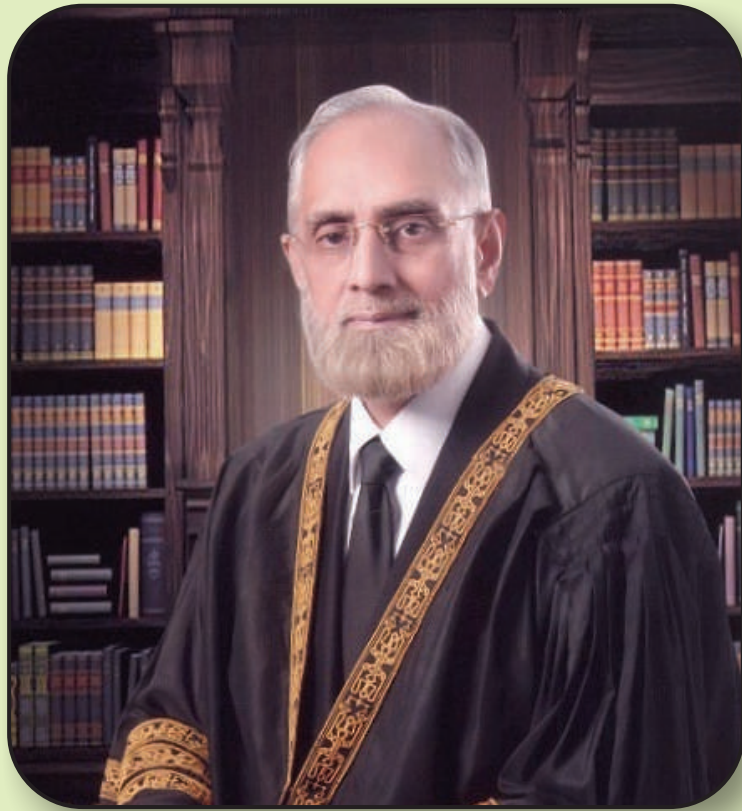

۴- رپورٹ سے یہ عیاں ہے کہ مختلف اداروں، مثلاً پولیس اور عدلیہ میں انفارمیشن ٹیکنالوجی کا استعمال محدود ہے اور ان اداروں کے اندر بھی یہ صرف کچھ افعال اور اعمال تک ہی محدود ہے۔ ان حالات میں جبکہ انفارمیشن ٹیکنالوجی کا استعمال اور فروغ جزوی اور محدود ہے۔ عمومی معیارات اور موافق معاہدات کی عدم موجودگی میں صوبوں میں اور صوبوں کے شعبہ انصاف میں، اداروں کے اندر اور بین الاداراتی سطح پر اس کی ترویج اور ہم آہنگی کے لیے وفاقی اور صوبائی سطح پر انتہائی کم کوششیں کی گئیں ہیں۔ انفارمیشن ٹیکنالوجی کا استعمال بھی متنوع انداز میں کیا جاتا ہے یعنی عملی مدد کی فراہمی جیسا کہ مقدمات کے case flow کے نظام سے لے کر شفافیت، احتساب، منصوبہ بندی میں مددگار اور فیصلہ سازی کے معیارات کا اور کارکردگی کے معیار کا جائزہ لینا۔
