#### 4. One week course on “Exploring Concept in Trial Procedures”, Batch-XI, for Additional and Sessions Judges from all over Pakistan, (14-19 November, 2022)

A week-long course on “Exploring Concept in Trial Procedures”, was conducted for Additional and Sessions Judges from all over Pakistan. The participants were needed to be trained in policy, team building, planning, communication skills and performance measurement. With this objective, both seasoned and freshly appointed Additional and Sessions Judges were engaged in practical learning through syndicate discussions, individual command tasks and public speaking exercises etc. The training for the top brass, also included valuable skills such as change management, stress management and use of technology in courts.

This engaging programme aids ADJs in exploring key trial concepts including jurisdiction, representation, and mandatory procedure. This program's goal is to provide these judges with the information and abilities they need to conduct trials more effectively.
