Capacity Building and Sensitization of Islamabad District Judiciary on ADR Mechanisms begins at Federal Judicial Academy

Hon'ble Judge, IHC, Highlights importance of ADR Mechanisms

Islamabad: The Federal Judicial Academy arranged Capacity Building and Sensitization of Islamabad District and Judiciary on Alternative Dispute Resolution (ADR) Mechanism at the Academy on Thursday.

Mr. Justice Mian Gul Hassan Aurangzeb, Hon'ble Judge, Islamabad High Court, inaugurated this capacity building and sensitization for 39 judicial officers in collaboration with the Legal Aid Society (LAS), Karachi.

Hon'ble Judge said, "The ADR mechanisms are useful in modern era and our judicial officers must encourage the ADR Mechanisms because these mechanisms are flexible, co-efficient, time -effective, and give the parties more control over the process and results."

DG of the Academy, Mr. Hayat Ali Shah, also spoke the importance of Capacity Building and Sensitization of Islamabad District and Judiciary on Alternative Dispute Resolution (ADR) Mechanisms. He also thanked the Legal Aid Society (LAS), for their cooperation to arrange this capacity building and sensitization at the Academy.

Areas of Learning

The areas of learning include: "Presentation on Turkiye Model of ADR", "ADR-Introduction and Objectives of the Course", "Dispute Resolution Processes", "Mediation Framework", "Fundamentals of Mediation Process", "Five Pillars of Mediation," Fish Bowl Exercise- Role Play Soomro and Bukhari to be played", "Alternative Dispute Resolution Act 2007," , etc.

The objective of this Capacity Building and Sensitization training is to improve the effectiveness of the justice system and access to justice by providing a faster dispute resolution for the citizens, businesses, legal persons, among others.
